Newsweek recognizes

NBC Capital Advisors

as one of

America's Top Financial Advisory Firms 2026

Newsweek and Plant-A Insights Group partnered for the second time to identify **America's Top Financial Advisory Firms 2026**. Over 15,000 financial advisors registered with the SEC to identify the best of the best. Financial advisory firms are scored and ranked based on asset performance, client performance, advisor expertise and service offerings. This ranking recognizes the top Registered Investment Advisors (RIAs) with more than \$20 million in assets under management, out of more than 15,000 firms evaluated.
